Vascular aging: scientific advances mounted on history of the PULSE

Sept 24<sup>th</sup>(Sat) - 26<sup>th</sup>(Mon) 2016

Grand Intercontinental Hotel Seoul Parnas, Seoul, Korea

It is our great honor and pleasure to invite you to Pulse of Asia 2016 (POA 2016) in Seoul, South Korea on September 24th-26th, 2016, including a joint session with the scientific meeting of the International Society of Hypertension.

The meeting will address fundamental mechanisms of vascular aging, analysis of the arterial pulse and associated methodology for treatment and management of cardiovascular disease. It is specifically designed to highlight the latest knowledge on epidemiology, mechanics, pathophysiology, biology and bioinformatics to guide the current understanding of vascular disease with a focus on vascular aging.
